Our school strategies are showing substantial progress toward our targets

After reviewing our Great Results Guarantee agreement, it is clear that we have made progress toward our targeted student outcomes. We will continue to focus on maximising the benefits of this funding for our students, and adjust our strategies as needed to ensure every student succeeds.

Strategies implemented include:

- Focused tiered intervention with timetabled core learning opportunities with the Head of Curriculum, LSTN and TA support.
- Continued coaching sessions for all Early Years Teachers.
- Embedding the Explicit Teaching Model in all Year levels
- Case manage all Innisfail State School students within 5 weekly data collection and analysis cycles
- Differentiated program support with individual and small groups of children.
- Our school used Early Start Assessment on all Prep students at the beginning of the 2014 Year to plan and develop individualized programs for all students.
